RE: Letter of Recommendation for Ms. Nancy Gray

Dear Future Employer:

Ms. Gray has been employed by Richmond Community Schools as system wide Food Service Coordinator since 1996. She brought to this position an extensive background, professional training, and work experience in the area of food service management, preparation, and delivery. Her experience with us has resulted in effective financial management of the Food Service Program as well as enthusiasm and creativity in the preparation, and increased selection of offerings for our students. This has resulted in increased student participation and positive perception of the Food Service Program. She is very enthusiastic and provides commensurate leadership and team building to achieve the food service mission.

Sincerely,

Anthony P. Broadwell, Ed.D.
